## Education

Expected in 2027-03

## Bachelor of Science: Information Technology

*Rajabhat Mahasarakham University - Maha Sarakham, Thailand*

- 3.95 GPA

2023-03

## High School Diploma

*Phadungnaree School - Maha Sarakham, Thailand*

- 3.90 GPA

## Projects

- **Developed the Rajabhat Mahasarakham University Alumni Network Information System**, which connects alumni, lecturers, and administrators. The system features comprehensive data visualization and alumni statistics such as employment rate, average salary, and workplace distribution. Built with Next.js, Bun, Elysia, and Prisma ORM with PostgreSQL.
- **Created “Ezy-Ecommerce,”** an online shopping platform that includes a complete e-commerce workflow — browsing products, placing orders, making payments, tracking shipments, handling refunds, and generating PDF receipts. Developed using Next.js, Bun, Elysia, and Prisma ORM with PostgreSQL.
- **Developed “Cartzy,”** a mobile application designed to empower small local vendors. The app enables real-time tracking and display of vendor locations, allowing vendors to freely manage menus, products, and promotions while enhancing customer convenience. Built with React Native, Node.js, Express, Prisma ORM, and PostgreSQL.
